General Terms and Conditions for the list of fees

The implementing body charges fees based on the work involved to cover the costs incurred in connection with the operation of the guarantees of origin system. The latest version of this fee schedule shall apply in each case.

Fees are invoiced whenever the total costs exceed CHF 20.– per participant.
Invoices are issued at least once a year.

3 Further fees will be charged for additional effort that is not part of the service within the meaning of the «Agreement Governing Use of the Swiss Guarantee of Origin System» based on time and material expenditure (e.g. individual training).
